1. *Journal of the American Medical Association*, 2000; 283: 2686-2692.

The first part of the paper discusses the importance of the
 Journal of Management Education in the field of management
 education. It highlights the journal's role in providing
 a platform for the dissemination of research findings and
 the advancement of the discipline. The second part of the
 paper focuses on the journal's commitment to diversity and
 inclusion, emphasizing the need for a more equitable and
 representative body of research. Finally, the paper concludes
 with a call to action for the management education
 community to continue to support and engage with the
 journal's efforts to advance the field.
